RE: Formal Dispute — Identity Theft | FCRA § 605B 4-Day Block | Metro 2 Violations | Unauthorized Inquiry Removal

Consumer: Tony Lamar McClendon | SSN Last 4: 7518 | DOB: 07/11/1989 | GA ID: 053453300

FTC Reports: #200001430 & #200001610 (both filed 4/8/2026, enclosed) | Credit Ref: M72081942

NOTICE: This letter constitutes a formal dispute under the Fair Credit Reporting Act, 15 U.S.C. §§ 1681–1681x, and a demand for a 4-business-day block under FCRA § 605B (15 U.S.C. § 1681c-2) based on documented identity theft. Two FTC Identity Theft Reports are enclosed: Report #200001430 and Report #200001610, both filed April 8, 2026 and executed under penalty of perjury. The certified mail delivery date of this envelope is the receipt date for all FCRA statutory deadlines.

SECTION I — IDENTITY THEFT DECLARATION & FCRA § 605B 4-DAY BLOCK DEMAND

I, Tony Lamar McClendon (DOB: 07/11/1989, Georgia ID #053453300), hereby declare under penalty of perjury that all accounts listed in Section II of this letter were opened without my authorization and are the result of identity theft. I did not apply for, open, authorize, or benefit from any of these accounts. I did not sign any application, agreement, or contract in connection with any of these accounts. Any signature, application, or account data associated with these accounts belongs to an identity thief — not to me.

Pursuant to 15 U.S.C. § 1681c-2 (FCRA § 605B), I am providing the following with this certified mail letter:

- Proof of Identity: Copy of my Georgia State Identification Card (ID #053453300, issued 08/01/2025, valid through 07/11/2033) — Exhibit A enclosed
- FTC Identity Theft Report #200001430 — filed April 8, 2026 at IdentityTheft.gov — signed under penalty of perjury — ENCLOSED
- FTC Identity Theft Report #200001610 — filed April 8, 2026 at IdentityTheft.gov — signed under penalty of perjury — ENCLOSED
- This written statement identifying all accounts in Section II as resulting from identity theft
- This sworn statement that none of the listed accounts relate to any transaction made or authorized by me

LEGAL DEMAND — 4-BUSINESS-DAY BLOCK UNDER 15 U.S.C. § 1681c-2:

You are LEGALLY REQUIRED to block ALL information listed in Section II from my credit report within FOUR (4) BUSINESS DAYS of receiving this certified mail letter. The USPS certified mail delivery date constitutes your receipt date and Day 1 of the statutory deadline. Failure to block within 4 business days constitutes a violation of FCRA § 605B, actionable under 15 U.S.C. § 1681n (willful noncompliance) for actual damages, statutory damages of \$100–\$1,000 per violation, punitive damages, and attorney fees — or under 15 U.S.C. § 1681o (negligent noncompliance) for actual damages and attorney fees.

FTC IDENTITY THEFT REPORTS ENCLOSED WITH THIS LETTER:

Report #200001430 — Filed 4/8/2026 — Covers: Sunbelt Properties (\$1,345) | T-Mobile USA Inc. (\$635) | Gold Cross EMS Inc. (\$1,311) | Progressive Insurance (\$269)

Report #200001610 — Filed 4/8/2026 — Covers: AVA Finance (\$19) | Santander Consumer USA (\$24,279) | Credit Acceptance Corp | SRP Federal Credit Union | 1st Franklin Financial (\$1,602 & \$200) | Gold's Gym (\$958) | Max Fitness (\$893)

Both reports were signed under penalty of perjury by Tony Lamar McClendon on April 8, 2026 and declare that all listed accounts were opened without authorization by an identity thief.

SECTION II — DISPUTED ACCOUNTS: IDENTITY THEFT + METRO 2 VIOLATIONS + FCRA VIOLATIONS

The following accounts appear in my Equifax credit file. Each is disputed on three independent grounds: (A) Identity Theft with filed FTC report, (B) Metro 2 Format Violations, and (C) FCRA Accuracy Violations.

ACCOUNT 1 — AUGUSTA COLLECTION AGC (Orig: Gold Cross EMS Inc.)

Type: COLLECTION | Balance: \$1,311.00 | Status: Seriously Past Due | FTC Report: #200001430

- **GROUND 1 — IDENTITY THEFT (FTC REPORT #200001430 — FILED 4/8/2026 — ENCLOSED):** I did not open, authorize, or benefit from this account. This account was opened by an identity thief using my personal information without my knowledge or consent. My sworn FTC Identity Theft Report documenting this account as fraudulent is enclosed with this letter.
- **GROUND 2 — METRO 2 FORMAT VIOLATIONS:**
 - Field 25 — DOFD Re-Aging Risk: DOFD reported as 06/2021 has NOT been verified against Gold Cross EMS original billing records. If collection placement date was used instead of original delinquency date, this constitutes illegal re-aging of the 7-year reporting clock.
 - Field 5 — Chain of Title Gap: Augusta Collection AGC must possess a valid written assignment from Gold Cross EMS Inc. for this specific account. No chain of title documentation has been produced or verified. Without a valid assignment, Augusta lacks legal standing to report this tradeline.
 - Experian-Only Reporting Anomaly: Account appears on Experian only — not on all bureaus. This selective single-bureau reporting is inconsistent with standard furnisher practices and raises accuracy concerns about whether this debt is being properly verified.
- **GROUND 3 — FCRA ACCURACY VIOLATIONS:**
 - 15 U.S.C. § 1681c-2 (§ 605B) — 4-Day Block — Per enclosed FTC Identity Theft Report #200001430 (filed 4/8/2026), this Gold Cross EMS medical debt was incurred by an identity thief — not Tony Lamar McClendon. Block required within 4 business days of receipt.
 - 15 U.S.C. § 1681s-2(a)(1) — Furnisher Accuracy — Augusta Collection cannot demonstrate reasonable grounds to believe the reported data is accurate given the documented identity theft and chain of title gap. Continued reporting violates the furnisher's ongoing accuracy obligation.
 - 15 U.S.C. § 1681e(b) — Maximum Accuracy — Bureau maximum accuracy standard violated — DOFD has not been verified against original creditor records and furnisher assignment standing has not been confirmed.
 - 15 U.S.C. § 1692g — FDCPA Debt Validation — Augusta Collection must produce: original Gold Cross EMS billing record, written assignment agreement, and DOFD verification from Gold Cross EMS original records. Inability to produce these means no legal standing to collect or report.

DEMAND: Block this account within 4 business days under FCRA § 605B and/or delete upon reinvestigation under FCRA § 611 if verification cannot be completed within 30 days. This demand applies to all tradelines, entries, and payment history associated with this account.

ACCOUNT 2 — CAINE & WEINER (Orig: Progressive Insurance)

Type: COLLECTION | Balance: \$269.00 | Status: Seriously Past Due | FTC Report: #200001430

- **GROUND 1 — IDENTITY THEFT (FTC REPORT #200001430 — FILED 4/8/2026 — ENCLOSED):** I did not open, authorize, or benefit from this account. This account was opened by an identity thief using my personal information without my knowledge or consent. My sworn FTC Identity Theft Report documenting this account as fraudulent is enclosed with this letter.
- **GROUND 2 — METRO 2 FORMAT VIOLATIONS:**
 - Field 25 — DOFD Cross-Bureau Inconsistency: DOFD must be identical on all bureaus reporting this account. Any discrepancy between TransUnion and Experian is an independent Metro 2 data integrity violation.
 - Field 5 — Chain of Title (Insurance Debt): Caine & Weiner must hold a specific written assignment from Progressive Insurance for this consumer's account. Insurance debt collections require explicit assignment documentation — a general collection contract is insufficient.
 - Cross-Bureau Data Integrity: All Metro 2 fields (balance, DOFD, account number, status) must be identical on both TU and EXP. Any discrepancy is a separate actionable Metro 2 accuracy violation.
- **GROUND 3 — FCRA ACCURACY VIOLATIONS:**
 - 15 U.S.C. § 1681c-2 (§ 605B) — 4-Day Block — Per enclosed FTC Report #200001430 (filed 4/8/2026), this Progressive Insurance collection is the result of identity theft. Block required within 4 business days of certified mail receipt.
 - 15 U.S.C. § 1681s-2(a)(1) — Furnisher Accuracy — Caine & Weiner is reporting an insurance collection without verified chain of title and without confirmed cross-bureau DOFD accuracy — a continuing furnisher accuracy violation.
 - 15 U.S.C. § 1692e(2) — FDCPA False Representation — If the \$269 includes any fees not authorized by the original Progressive Insurance policy, representing that amount as the debt balance is a false representation of the character and amount of the debt.
 - 15 U.S.C. § 1692g — FDCPA Validation — Must produce: original Progressive Insurance policy documentation, specific claim/policy number, written assignment from Progressive to Caine & Weiner, and itemization confirming no unauthorized additions to the \$269.

DEMAND: Block this account within 4 business days under FCRA § 605B and/or delete upon reinvestigation under FCRA § 611 if verification cannot be completed within 30 days. This demand applies to all tradelines, entries, and payment history associated with this account.

ACCOUNT 3 — HUNTER WARFIELD (Orig: Sunbelt Properties (Apartment))

Type: COLLECTION | Balance: \$1,345.00 | Status: Seriously Past Due | FTC Report: #200001430

- **GROUND 1 — IDENTITY THEFT (FTC REPORT #200001430 — FILED 4/8/2026 — ENCLOSED):** I did not open, authorize, or benefit from this account. This account was opened by an identity thief using my personal information without my knowledge or consent. My sworn FTC Identity Theft Report documenting this account as fraudulent is enclosed with this letter.
- **GROUND 2 — METRO 2 FORMAT VIOLATIONS:**
 - Field 25 — DOFD Re-Aging (Apartment Debt): DOFD for apartment lease debt must reflect the date the original lease payment was first missed — NOT the date Hunter Warfield received the debt. Apartment debt DOFD has NOT been verified against Sunbelt Properties' original payment ledger.
 - Field 5 — Chain of Title: Hunter Warfield must possess a specific written assignment from Sunbelt Properties for this consumer's lease account. No documentation has been produced or verified establishing legal standing to report.
 - Field 21 — Balance Composition: The \$1,345 must be itemized. Apartment collections frequently include unauthorized charges (uninventoried damages, uncontracted fees) that inflate the balance beyond what is lawfully owed under the original lease.

- **GROUND 3 — FCRA ACCURACY VIOLATIONS:**

- 15 U.S.C. § 1681c-2 (§ 605B) — 4-Day Block — Per enclosed FTC Report #200001430 (filed 4/8/2026), this Sunbelt Properties apartment lease was opened in the consumer's name by an identity thief. Block required within 4 business days of receipt.
- 15 U.S.C. § 1681c(a)(4) — Re-Aging Violation — If DOFD does not reflect the original lease delinquency date from Sunbelt Properties' records, the 7-year reporting window has been illegally re-aged — an independent FCRA violation extending the derogatory period.
- 15 U.S.C. § 1681s-2(a)(1) — Furnisher Accuracy — Hunter Warfield must verify DOFD against original landlord records, maintain documented chain of title from Sunbelt Properties, and confirm balance contains only lawfully owed lease charges.
- 15 U.S.C. § 1692g — FDCPA Validation — Must produce: original signed lease from Sunbelt Properties, Sunbelt's payment ledger confirming DOFD, written assignment to Hunter Warfield, and itemized breakdown of the \$1,345.

DEMAND: Block this account within 4 business days under FCRA § 605B and/or delete upon reinvestigation under FCRA § 611 if verification cannot be completed within 30 days. This demand applies to all tradelines, entries, and payment history associated with this account.

ACCOUNT 4 — SOURCE RECEIVABLES MANAGEMENT (Orig: T-Mobile USA Inc.)

Type: COLLECTION | Balance: \$635.00 | Status: Seriously Past Due | FTC Report: #200001430

- **GROUND 1 — IDENTITY THEFT (FTC REPORT #200001430 — FILED 4/8/2026 — ENCLOSED):** I did not open, authorize, or benefit from this account. This account was opened by an identity thief using my personal information without my knowledge or consent. My sworn FTC Identity Theft Report documenting this account as fraudulent is enclosed with this letter.
- **GROUND 2 — METRO 2 FORMAT VIOLATIONS:**
 - Field 25 — DOFD Re-Aging (Telecom): DOFD must reflect the T-Mobile original account delinquency date — NOT Source Receivables' debt acquisition date. T-Mobile portfolio debt buyers are among the most frequent DOFD manipulators. Not verified against T-Mobile's original billing records.
 - Field 5 — Debt Buyer Chain of Title: Source Receivables must hold a specific portfolio purchase agreement from T-Mobile USA Inc. that includes this consumer's account number. General bulk portfolio references are insufficient.
 - Cross-Bureau DOFD Consistency: DOFD must be identical on TransUnion and Experian. Any discrepancy between the two is an independent Metro 2 violation compounding the re-aging concern.
- **GROUND 3 — FCRA ACCURACY VIOLATIONS:**
 - 15 U.S.C. § 1681c-2 (§ 605B) — 4-Day Block — Per enclosed FTC Report #200001430 (filed 4/8/2026), this T-Mobile account was opened by an identity thief using the consumer's personal information. Block required within 4 business days of receipt.
 - 15 U.S.C. § 1681c(a)(4) — Re-Aging — The 7-year reporting clock runs from T-Mobile's original delinquency date — not Source Receivables' purchase date. Re-aging has likely occurred if DOFD was reset to acquisition date.
 - 15 U.S.C. § 1681s-2(a)(1) — Furnisher Accuracy — Source Receivables must verify DOFD against T-Mobile's original records and maintain a specific, documented chain of title for this account. Without these, reporting is inaccurate.
 - 15 U.S.C. § 1692g — FDCPA Validation — Must produce: original T-Mobile account agreement, T-Mobile's original DOFD records, portfolio purchase agreement specifically identifying this account, and itemized balance breakdown.

DEMAND: Block this account within 4 business days under FCRA § 605B and/or delete upon reinvestigation under FCRA § 611 if verification cannot be completed within 30 days. This demand applies to all tradelines, entries, and payment history associated with this account.

ACCOUNT 5 — CLTRCBINC (Orig: Gold's Gym — Bobby Jones Expy II)

Type: COLLECTION | Balance: \$958.00 | Status: Collection | FTC Report: #200001610

- **GROUND 1 — IDENTITY THEFT (FTC REPORT #200001610 — FILED 4/8/2026 — ENCLOSED):** I did not open, authorize, or benefit from this account. This account was opened by an identity thief using my personal information without my knowledge or consent. My sworn FTC Identity Theft Report documenting this account as fraudulent is enclosed with this letter.
- **GROUND 2 — METRO 2 FORMAT VIOLATIONS:**

- **Furnisher Name Accuracy** — 'CLTRCBINC': 'CLTRCBINC' is not a recognizable, consumer-identifiable legal business name. Metro 2 requires furnisher names to be accurate and identifiable so consumers can exercise FCRA and FDCPA rights. This is a Metro 2 data accuracy violation on its face — the bureau is allowing an unidentifiable entity to damage this consumer's credit file.
- **Field 25 — DOFD Re-Aging (Gym Membership):** DOFD must reflect the Gold's Gym original membership delinquency date — not CLTRCBINC's acquisition date. Has NOT been verified against Gold's Gym Bobby Jones original membership records.
- **Field 5 — Chain of Title:** CLTRCBINC must hold a documented assignment from Gold's Gym Bobby Jones Expy II for this specific membership account. No chain of title has been produced. The unidentifiable furnisher name makes even verifying this assignment impossible.
- **GROUND 3 — FCRA ACCURACY VIOLATIONS:**
 - 15 U.S.C. § 1681c-2 (§ 605B) — 4-Day Block — Per enclosed FTC Report #200001610 (filed 4/8/2026), this Gold's Gym membership was opened by an identity thief. Block required within 4 business days of certified mail receipt.
 - 15 U.S.C. § 1681e(b) — Maximum Accuracy — The bureau is in violation of its ongoing maximum accuracy duty by allowing an unidentifiable furnisher 'CLTRCBINC' to report without verification of the entity's full legal identity. This violation exists now, before any reinvestigation.
 - 15 U.S.C. § 1692e(14) — FDCPA True Business Name — FDCPA § 807(14) requires debt collectors to use their true business name. 'CLTRCBINC' is not a true, identifiable business name — this is an FDCPA violation independent of and in addition to the FCRA violations.
 - 15 U.S.C. § 1692g — FDCPA Validation — CLTRCBINC must: (1) identify its full legal business name; (2) produce the Gold's Gym membership agreement; (3) provide chain of title from Gold's Gym Bobby Jones Expy II. Failure to provide these requires immediate deletion.

DEMAND: Block this account within 4 business days under FCRA § 605B and/or delete upon reinvestigation under FCRA § 611 if verification cannot be completed within 30 days. This demand applies to all tradelines, entries, and payment history associated with this account.

ACCOUNT 6 — CLTRCBINC (Orig: Max Fitness — Bobby Jones)

Type: COLLECTION | Balance: \$893.00 | Status: Collection | FTC Report: #200001610

- **GROUND 1 — IDENTITY THEFT (FTC REPORT #200001610 — FILED 4/8/2026 — ENCLOSED):** I did not open, authorize, or benefit from this account. This account was opened by an identity thief using my personal information without my knowledge or consent. My sworn FTC Identity Theft Report documenting this account as fraudulent is enclosed with this letter.
- **GROUND 2 — METRO 2 FORMAT VIOLATIONS:**
 - **Duplicate Furnisher — Potential Double Reporting:** The same cryptic furnisher 'CLTRCBINC' appears for two separate gym accounts from the same geographic area. Metro 2 prohibits reporting the same underlying debt twice. Both accounts require completely separate chain of title documentation proving they are distinct underlying debts.
 - **Furnisher Name Accuracy Violation (Second Instance):** Same unidentifiable 'CLTRCBINC' furnisher name — same Metro 2 accuracy violation. The repeated use of this name for two separate alleged debts heightens the data integrity concern and potential § 1681n willful noncompliance exposure.
 - **Field 25 — DOFD (Second Gym Account):** A completely separate DOFD must be verified against Max Fitness Bobby Jones original records — independent from and not conflated with the DOFD for the separate Gold's Gym CLTRCBINC account.
- **GROUND 3 — FCRA ACCURACY VIOLATIONS:**
 - 15 U.S.C. § 1681c-2 (§ 605B) — 4-Day Block — Per enclosed FTC Report #200001610 (filed 4/8/2026), this Max Fitness membership account was opened by an identity thief. Block required within 4 business days of certified mail receipt.
 - 15 U.S.C. §§ 1681n & 1681o — Willful/Negligent Noncompliance — If CLTRCBINC is reporting the same underlying gym debt twice under two different gym names, this is willful duplicate reporting — carrying statutory damages of \$100–\$1,000 per violation, punitive damages, and attorney fees under § 616.
 - 15 U.S.C. § 1681e(b) — Bureau Duty — Bureau must have procedures to detect potential duplicate reporting from the same furnisher under the same unidentifiable name for similar account types from the same location area.
 - 15 U.S.C. § 1692g — FDCPA Validation — CLTRCBINC must produce: full legal business name, a completely separate Max Fitness membership agreement, separate chain of title from Max Fitness (not Gold's Gym), and proof these are distinct underlying debts with unique account numbers.

DEMAND: Block this account within 4 business days under FCRA § 605B and/or delete upon reinvestigation under FCRA § 611 if verification cannot be completed within 30 days. This demand applies to all tradelines, entries, and payment history associated with this account.

ACCOUNT 7 — LVNV FUNDING LLC (Orig: 1st Franklin Financial)

Type: COLLECTION / INSTALLMENT | Balance: \$1,602.00 | Status: Seriously Past Due | FTC Report: #200001610

- **GROUND 1 — IDENTITY THEFT (FTC REPORT #200001610 — FILED 4/8/2026 — ENCLOSED):** I did not open, authorize, or benefit from this account. This account was opened by an identity thief using my personal information without my knowledge or consent. My sworn FTC Identity Theft Report documenting this account as fraudulent is enclosed with this letter.
- **GROUND 2 — METRO 2 FORMAT VIOLATIONS:**
 - Field 25 — DOFD Re-Aging (Debt Buyer — CRITICAL): LVNV Funding MUST inherit the original DOFD from 1st Franklin Financial's account records. LVNV cannot reset DOFD to its purchase date under any circumstances. LVNV is one of the most-litigated debt buyers for DOFD re-aging. Not verified against 1st Franklin's original records.
 - Double Reporting with 1st Franklin (CRITICAL): BOTH 1st Franklin Financial (charge-off) AND LVNV Funding LLC (collection) are simultaneously active in this credit report for the same underlying loan. One debt is reporting twice — a Metro 2 data integrity violation causing double score damage from a single debt.
 - Field 5 — Debt Buyer Chain of Title: LVNV must produce a specific portfolio purchase agreement from 1st Franklin that includes this consumer's account number — not a general bulk portfolio reference. Without specific chain of title, no legal standing to report exists.
- **GROUND 3 — FCRA ACCURACY VIOLATIONS:**
 - 15 U.S.C. § 1681c-2 (§ 605B) — 4-Day Block — Per enclosed FTC Report #200001610 (filed 4/8/2026), this 1st Franklin Financial loan was obtained by an identity thief. Block required within 4 business days of certified mail receipt.
 - 15 U.S.C. § 1681n — Willful Violation (Double Reporting) — BOTH 1st Franklin AND LVNV are simultaneously reporting the same debt. One debt is penalizing this consumer twice. This is a willful accuracy violation carrying statutory damages of \$100–\$1,000 per violation under § 616, plus punitive damages.
 - 15 U.S.C. § 1681c(a)(4) — Re-Aging Violation — The 7-year reporting clock runs from 1st Franklin's ORIGINAL DOFD — not LVNV's purchase date. Re-aging of this clock by a debt buyer is a continuing independent FCRA violation.
 - 15 U.S.C. § 1692g — FDCPA Validation — LVNV must produce: 1st Franklin's original DOFD records, specific chain of title including this account number, and proof the \$1,602 has not been inflated beyond 1st Franklin's original charged-off amount.

DEMAND: Block this account within 4 business days under FCRA § 605B and/or delete upon reinvestigation under FCRA § 611 if verification cannot be completed within 30 days. This demand applies to all tradelines, entries, and payment history associated with this account.

ACCOUNT 8 — 1ST FRANKLIN FINANCIAL

Type: INSTALLMENT — CHARGE-OFF | Balance: \$0 (High Credit: \$1,252) | Status: Charged Off as Bad Debt | FTC Report: #200001610

- **GROUND 1 — IDENTITY THEFT (FTC REPORT #200001610 — FILED 4/8/2026 — ENCLOSED):** I did not open, authorize, or benefit from this account. This account was opened by an identity thief using my personal information without my knowledge or consent. My sworn FTC Identity Theft Report documenting this account as fraudulent is enclosed with this letter.
- **GROUND 2 — METRO 2 FORMAT VIOLATIONS:**
 - Double Reporting with LVNV Funding (CRITICAL): 1st Franklin Financial is reporting a charge-off while LVNV Funding LLC simultaneously reports a collection for the same loan. This is double reporting of the same debt — a Metro 2 prohibition. 1st Franklin must update its tradeline to show the account was sold to LVNV.
 - Payment History Profile — Fraudulent Data: If this account was opened by an identity thief, the entire 24-month payment history profile represents fabricated data that does not belong to this consumer. Every month of reported payment history is inaccurate.

- Field 26 — Charge-Off Date Precision: Charge-off date must be verified against 1st Franklin's internal records. Any inaccuracy miscalculates the 7-year reporting window — even a one-month error extends the derogatory period unlawfully.
- **GROUND 3 — FCRA ACCURACY VIOLATIONS:**
 - 15 U.S.C. § 1681c-2 (§ 605B) — 4-Day Block — Per enclosed FTC Report #200001610 (filed 4/8/2026), this installment loan was obtained by an identity thief using the consumer's personal information without authorization. Block required within 4 business days.
 - 15 U.S.C. § 1681n — Willful Violation (Double Reporting) — 1st Franklin and LVNV simultaneously reporting the same debt constitutes willful duplicate reporting. 1st Franklin must update its tradeline to show 'Account sold to another lender' — continuing to report the charge-off while LVNV reports the collection is an ongoing willful accuracy violation.
 - 15 U.S.C. § 1681s-2(a)(1) — Post-Sale Accuracy Duty — After selling this account to LVNV, 1st Franklin is obligated to update its tradeline to reflect the sale. Failure to do so while LVNV simultaneously reports is a continuing furnisher accuracy violation.
 - 15 U.S.C. § 1681i (§ 611) — Reinvestigation — Upon reinvestigation, 1st Franklin must produce a signed loan application bearing this consumer's authenticated signature. No authenticated signature = no verification = mandatory deletion under § 611(a)(5)(A).

DEMAND: Block this account within 4 business days under FCRA § 605B and/or delete upon reinvestigation under FCRA § 611 if verification cannot be completed within 30 days. This demand applies to all tradelines, entries, and payment history associated with this account.

ACCOUNT 9 — AVA FINANCE

Type: INSTALLMENT — CHARGE-OFF | Balance: \$19.00 (High Credit: \$20) | Status: Charged Off as Bad Debt | FTC Report: #200001610

- **GROUND 1 — IDENTITY THEFT (FTC REPORT #200001610 — FILED 4/8/2026 — ENCLOSED):** I did not open, authorize, or benefit from this account. This account was opened by an identity thief using my personal information without my knowledge or consent. My sworn FTC Identity Theft Report documenting this account as fraudulent is enclosed with this letter.
- **GROUND 2 — METRO 2 FORMAT VIOLATIONS:**
 - Multiple AVA Finance Entries — Duplicate Reporting: AVA Finance appears in multiple separate tradeline entries in this credit report. Each entry must have a completely unique account number and separate underlying loan agreement. Without that distinction, willful duplicate reporting is occurring.
 - Field 25 — DOFD Cross-Bureau Consistency: DOFD must be identical on all bureaus reporting AVA Finance accounts. Any discrepancy between bureaus is an independent Metro 2 violation.
 - Charge-Off on De Minimis Balance — Data Accuracy: A \$19 balance on a \$20 high credit account with a charge-off notation must be verified as a legitimate account and not a data processing error, account number mismatch, or misapplied payment that created an erroneous charge-off.
- **GROUND 3 — FCRA ACCURACY VIOLATIONS:**
 - 15 U.S.C. § 1681c-2 (§ 605B) — 4-Day Block — Per enclosed FTC Report #200001610 (filed 4/8/2026), all AVA Finance accounts are claimed as identity theft. Block all AVA Finance entries within 4 business days of receipt. No de minimis balance exception applies under § 605B.
 - 15 U.S.C. § 1681n — Willful Noncompliance (Duplicates) — If multiple AVA Finance entries represent the same underlying account, this is willful duplicate reporting — carrying statutory damages of \$100–\$1,000 per violation plus punitive damages and attorney fees under § 616.
 - 15 U.S.C. § 1681e(b) — Maximum Accuracy — Bureau must verify each AVA Finance entry is a distinct account with a unique account number. Allowing potential duplicates without verification fails the maximum accuracy standard.
 - 15 U.S.C. § 1692g — FDCPA Validation — AVA Finance must produce individual loan agreements for each separate tradeline entry with unique account numbers, proving each is a completely distinct loan with its own origination documentation.

DEMAND: Block this account within 4 business days under FCRA § 605B and/or delete upon reinvestigation under FCRA § 611 if verification cannot be completed within 30 days. This demand applies to all tradelines, entries, and payment history associated with this account.

ACCOUNT 10 — SANTANDER CONSUMER USA (Orig: Auto Loan — \$24,279 Original Amount)

Type: AUTO INSTALLMENT — CHARGE-OFF | Balance: \$163.00 | Status: Charged Off as Bad Debt | FTC Report: #200001610

- **GROUND 1 — IDENTITY THEFT (FTC REPORT #200001610 — FILED 4/8/2026 — ENCLOSED):** I did not open, authorize, or benefit from this account. This account was opened by an identity thief using my personal information without my knowledge or consent. My sworn FTC Identity Theft Report documenting this account as fraudulent is enclosed with this letter.
- **GROUND 2 — METRO 2 FORMAT VIOLATIONS:**
 - Field 16 — Missing Repossession/Surrender Code: If a vehicle was repossessed or surrendered, Metro 2 requires specific payment history codes (VS for voluntary surrender, RF for repossession). These codes are absent from the payment history profile — this omission misrepresents the nature of the account resolution and is a Metro 2 accuracy violation.
 - Payment History Profile — Fraudulent Data: If this auto loan was opened by an identity thief, the entire 24-month payment history profile represents fabricated data. Every month of payment history on this account is inaccurate and must be blocked in its entirety.
 - Field 25 — DOFD (High-Value Auto Charge-Off): On a \$24,279 charge-off, DOFD precision is critical. Must reflect the exact month the first payment was missed — verified against Santander's original loan servicing records. Any error miscalculates when this maximum-impact derogatory must be removed.
- **GROUND 3 — FCRA ACCURACY VIOLATIONS:**
 - 15 U.S.C. § 1681c-2 (§ 605B) — 4-Day Block (High Value) — Per enclosed FTC Report #200001610 (filed 4/8/2026), this \$24,279 auto loan was obtained by an identity thief. This is a high-value fraudulent account causing severe credit score damage. Block required within 4 business days of certified mail receipt.
 - 15 U.S.C. § 1681s-2(a)(1) — Furnisher Accuracy — Santander must produce: signed auto loan application, vehicle purchase agreement, and DMV/title records showing delivery of the vehicle to the verified applicant. Without verified documentation tied to this consumer's authenticated identity, reporting is inaccurate.
 - 15 U.S.C. § 1681e(b) — Maximum Accuracy — Bureau must verify the missing repossession codes and confirm DOFD against Santander's servicing records. A \$24,279 charge-off with Metro 2 violations constitutes a significant existing accuracy failure under § 1681e(b).
 - CFPB Supervisory Authority — Santander Consumer USA is a CFPB-supervised entity with documented enforcement history exceeding \$500M in auto lending violations. A formal CFPB complaint regarding this account will be filed simultaneously with this dispute if Santander does not cooperate with the identity theft block demand.

DEMAND: Block this account within 4 business days under FCRA § 605B and/or delete upon reinvestigation under FCRA § 611 if verification cannot be completed within 30 days. This demand applies to all tradelines, entries, and payment history associated with this account.

ACCOUNT 11 — CREDIT ACCEPTANCE CORP (Orig: Auto Loan — \$19,595 Original Amount)

Type: AUTO INSTALLMENT — 120-150 DAYS LATE | Balance: \$0 | Status: 120-150 Days Past Due | FTC Report: #200001610

- **GROUND 1 — IDENTITY THEFT (FTC REPORT #200001610 — FILED 4/8/2026 — ENCLOSED):** I did not open, authorize, or benefit from this account. This account was opened by an identity thief using my personal information without my knowledge or consent. My sworn FTC Identity Theft Report documenting this account as fraudulent is enclosed with this letter.
- **GROUND 2 — METRO 2 FORMAT VIOLATIONS:**
 - Payment History Profile — Fraudulent Data: If this auto loan was opened by an identity thief, the entire 24-month payment history — including the 120-150 day delinquency staging — represents fabricated data. All payment history codes for this account must be blocked.
 - Cross-Bureau Delinquency Inconsistency: Any discrepancy in delinquency staging, DOFD, or payment history profile between TransUnion and Experian constitutes an independent Metro 2 violation — one of the reported data sets is inaccurate by definition.
 - Payment Rating Code Accuracy (120/150 Days): Payment Rating codes '5' (120-day) and '6' (150-day) must each be applied to the exact calendar month the delinquency occurred — verified against Credit Acceptance's actual payment records month by month.
- **GROUND 3 — FCRA ACCURACY VIOLATIONS:**

- 15 U.S.C. § 1681c-2 (§ 605B) — 4-Day Block (Critical) — Per enclosed FTC Report #200001610 (filed 4/8/2026), this \$19,595 auto loan was obtained by an identity thief. The 120-150 day delinquency is the single most score-damaging active entry in this credit file. Block required within 4 business days of certified mail receipt.
- 15 U.S.C. § 1681s-2(a)(1) — Furnisher Accuracy — Credit Acceptance must produce: signed auto loan application, vehicle purchase agreement, and proof of vehicle delivery to the verified applicant. Without these documents authenticated to this specific consumer, all reporting is inaccurate.
- 15 U.S.C. § 1681n — Willful Violation (Cross-Bureau Inconsistency) — If Credit Acceptance is reporting different DOFD dates or different delinquency staging on TU vs. EXP, one of the reports is willfully inaccurate — carrying statutory damages under FCRA § 616.
- 15 U.S.C. § 1681i (§ 611) — Reinvestigation Standard — Credit Acceptance must verify every month's payment status against actual payment receipt records, confirm DOFD against original account records, and produce a signed loan application. Failure to verify any element requires deletion.

DEMAND: Block this account within 4 business days under FCRA § 605B and/or delete upon reinvestigation under FCRA § 611 if verification cannot be completed within 30 days. This demand applies to all tradelines, entries, and payment history associated with this account.

ACCOUNT 12 — SRP FEDERAL CREDIT UNION (Orig: Revolving — \$1,000 Credit Limit)

Type: REVOLVING — 30-DAY LATE MARKS x4 (PAID) | Balance: \$0.00 | Status: Paid — Was 30 Days Late 4 Times | FTC Report: #200001610

- **GROUND 1 — IDENTITY THEFT (FTC REPORT #200001610 — FILED 4/8/2026 — ENCLOSED):** I did not open, authorize, or benefit from this account. This account was opened by an identity thief using my personal information without my knowledge or consent. My sworn FTC Identity Theft Report documenting this account as fraudulent is enclosed with this letter.
- **GROUND 2 — METRO 2 FORMAT VIOLATIONS:**
 - Field 25 — DOFD Re-Aging (Most Recent vs. Earliest Mark): DOFD must reflect the EARLIEST of the 4 late marks — not the most recent. Using the most recent late mark as DOFD re-ages the derogatory reporting window and unlawfully extends how long these negative marks can remain on the report.
 - Individual Late Mark Month-Specific Accuracy: Each of the 4 individual 30-day late marks must correspond to a specific, identified calendar month where payment was received 30+ days late — verified against SRP's payment records. Generic reporting of '4 late payments' without month-specific verification is a Metro 2 violation.
 - Cross-Bureau Late Mark Consistency: The specific months marked as 30-day late must be identical on both TransUnion and Experian. Any discrepancy in which months are marked between bureaus means one report is inaccurate.
- **GROUND 3 — FCRA ACCURACY VIOLATIONS:**
 - 15 U.S.C. § 1681c-2 (§ 605B) — 4-Day Block (Unauthorized Use) — Per enclosed FTC Report #200001610 (filed 4/8/2026), if the 30-day late marks resulted from unauthorized use of this account by an identity thief, the specific late marks caused by the unauthorized activity must be blocked within 4 business days upon receipt of this identity theft documentation.
 - 15 U.S.C. § 1681c(a)(4) — Re-Aging (DOFD Accuracy) — DOFD must reflect the first of the 4 late marks. If SRP is using the most recent late mark date as DOFD, the negative payment history is being reported beyond its legal 7-year window calculated from the first mark.
 - 15 U.S.C. § 1681i (§ 611) — Individual Mark Reinvestigation — Upon reinvestigation, SRP must provide month-specific payment receipt documentation for each of the 4 late marks. A general statement that the account 'had late payments' does not meet the verification standard — each mark must be independently verified.
 - 15 U.S.C. § 1681e(b) — Maximum Accuracy — Bureau must require SRP to identify specific months for each late mark and confirm DOFD reflects the earliest occurrence. Allowing vague reporting without month-specific verification fails the maximum accuracy standard.

DEMAND: Block this account within 4 business days under FCRA § 605B and/or delete upon reinvestigation under FCRA § 611 if verification cannot be completed within 30 days. This demand applies to all tradelines, entries, and payment history associated with this account.

SECTION III — UNAUTHORIZED HARD INQUIRY REMOVAL DEMAND

The following hard inquiries appear in my Equifax credit file and are disputed as unauthorized. All inquiries made in connection with the fraudulent account applications identified in Section II were made without my authorization and without a permissible purpose under 15 U.S.C. § 1681b. They must be removed.

Inquiring Entity	Inquiry Date	Basis for Removal
All inquiries on Equifax file	Various	Any inquiry on the Equifax credit file associated with the fraudulent account applications listed above is disputed as unauthorized. Consumer did not authorize any of these inquiries. Each inquiry was made without a permissible purpose under 15 U.S.C. § 1681b. All must be removed.

LEGAL DEMAND: Under 15 U.S.C. § 1681b, a hard inquiry may only be placed with my express written authorization or a permissible purpose defined by law. All listed inquiries were made in connection with fraudulent applications I did not authorize. Under FCRA § 611 (15 U.S.C. § 1681i), I demand all listed inquiries be removed within 30 days. Any inquiry that cannot be verified as authorized by me in writing must be immediately deleted.

SECTION IV — LEGAL DEMANDS & REQUIRED ACTIONS

- BLOCK all accounts in Section II within 4 business days of receiving this certified mail letter under 15 U.S.C. § 1681c-2.
- NOTIFY all furnishers of the blocked accounts that their information has been blocked and they must cease all reporting to any consumer reporting agency immediately.
- CONDUCT a reasonable reinvestigation of all disputed accounts under 15 U.S.C. § 1681i (FCRA § 611) and provide written results within 30 days of receipt.
- DELETE any account that cannot be fully verified as belonging to me — including: original signed agreement, DOFD from original creditor records, and complete chain of title for any third-party collector or debt buyer.
- REMOVE all unauthorized hard inquiries listed in Section III that cannot be verified as made with my express written authorization.
- PROVIDE written notice of reinvestigation results within 5 business days of completion under 15 U.S.C. § 1681i(a)(6).
- PROVIDE a free updated credit report reflecting all deletions and corrections within 5 business days of completing the reinvestigation under 15 U.S.C. § 1681j.
- DO NOT re-insert any deleted information without first providing prior written notice to me as required by 15 U.S.C. § 1681i(a)(5)(B). Re-insertion without notice is an independent FCRA violation.

NOTICE OF POTENTIAL LEGAL ACTION:

Failure to comply with any demand in this letter within the timeframes required by the FCRA may result in a civil action under 15 U.S.C. § 1681n (willful noncompliance) or § 1681o (negligent noncompliance). Available remedies include actual damages, statutory damages of \$100–\$1,000 per violation, punitive damages, and attorney fees and costs. I reserve all legal rights and remedies for each violation documented in this letter.

Sincerely,

Tony Lamar McClendon
