**RE: FORMAL DISPUTE — FCRA VIOLATIONS / METRO 2 VIOLATIONS / IDENTITY THEFT
REINSERTION / FRAUDULENT MIXED FILE ACCOUNTS**

Consumer: ERVIN WARD | DOB: 12/18/1986 | SSN Last 4: 8140 | Report Date: April 2, 2026

I. NOTICE OF FORMAL DISPUTE UNDER THE FAIR CREDIT REPORTING ACT

This letter constitutes a formal, legally-binding dispute submitted pursuant to the Fair Credit Reporting Act (FCRA), 15 U.S.C. § 1681 et seq. I am disputing multiple accounts currently appearing on my Experian credit report for the following reasons: (1) identity theft — accounts do not belong to me and were fraudulently placed on my file, (2) illegal re-insertion of a previously deleted account without required written notice, (3) Metro 2 data reporting violations creating inaccurate and unverifiable account data, and (4) mixed-file errors where accounts belonging to a different consumer have been incorrectly associated with my Social Security Number.

Under 15 U.S.C. § 1681i(a)(1)(A), you are required to conduct a REASONABLE REINVESTIGATION of all items I dispute. If you cannot VERIFY the complete accuracy of any item, you are LEGALLY REQUIRED to DELETE it from my file. I expect full compliance within 30 days.

DISPUTED ACCOUNTS SUMMARY

Account	Original Creditor	Balance	Primary Violation
Sunrise Credit Service	AT&T Mobility	\$12,374	Illegal Reinsertion + ID Theft
Transworld Systems Inc	Georgia Natural Gas	\$366	Fraudulent / Wrong SSN
Credit Systems Intl	Georgia Power Company	\$276	Fraudulent / Wrong SSN

Kikoff Lending LLC	Charge Card	\$60	Metro 2 Amount Discrepancy
Credit One Bank NA	Credit Card	Paid/Closed	Furnisher Investigation Failure
Austin Capital Bank SS	Secured Loan	Paid/Closed	Late Payment Date Dispute

II. ACCOUNT #1: SUNRISE CREDIT SERVICE / AT&T MOBILITY — \$12,374

Account Details

- Collector: Sunrise Credit Service | Account #: 534254XXXXXX
- Original Creditor: AT&T Mobility | Balance: \$12,374
- Date Opened at Agency: December 31, 2025 | Status Updated: Dec 2025

Dispute Basis

THIS ACCOUNT WAS PREVIOUSLY INVESTIGATED, VERIFIED AS FRAUDULENT, AND DELETED FROM MY CREDIT REPORT.

I am the victim of identity theft. I submitted a police report and a Federal Trade Commission (FTC) Identity Theft Report formally disputing this account. After my dispute, this account was removed from my credit file. However, it has been REINSERTED onto my report without the legally required written notice — a direct violation of federal law.

FCRA Violations — Sunrise Credit Service / AT&T Mobility

- ▶ **15 U.S.C. § 1681i(a)(5)(B)(ii) — ILLEGAL REINSERTION WITHOUT WRITTEN NOTICE:** When a consumer reporting agency deletes information from a consumer's file, it may not reinsert the item unless it receives certification from the furnisher that the information is complete and accurate AND notifies the consumer in writing within 5 business days BEFORE reinsertion. Experian has failed to provide this required written notice.
- ▶ **15 U.S.C. § 1681c-2 — FAILURE TO BLOCK IDENTITY THEFT INFORMATION:** A consumer reporting agency must block the reporting of any information the consumer identifies as resulting from identity theft, within 4 business days of receiving: (1) proof of identity, (2) a copy of an identity theft report, (3) the consumer's identification of the fraudulent information. I provided all required documentation. Experian's continued reporting of this account is a clear violation of this statute.
- ▶ **15 U.S.C. § 1681i(a)(5)(A) — FAILURE TO DELETE UNVERIFIABLE INFORMATION:** If Experian cannot verify the accuracy of a disputed item within the investigation period, the item must be deleted. Given that this account was previously deleted and reinserted without new verified evidence, the information is unverifiable and must be permanently deleted.
- ▶ **15 U.S.C. § 1681e(b) — FAILURE TO FOLLOW REASONABLE PROCEDURES:** Experian failed to maintain reasonable procedures to ensure maximum possible accuracy. Allowing a previously-deleted identity theft account to be reinserted without proper verification directly violates this standard.

Metro 2 Compliance Violations — Sunrise Credit Service

- Date Opened reported as December 31, 2025 (New Year's Eve) — this date is highly irregular and may indicate data entry manipulation or re-aging of the debt to reset the reporting clock.
- Metro 2 Field 17 (Date of First Delinquency) must be accurately reported. If AT&T Mobility's original delinquency predates the collection agency's open date, the DOFD may have been manipulated — a direct re-aging violation.
- Metro 2 Compliance requires the collecting agency to accurately carry forward the original creditor's Date of First Delinquency. The DOFD must reflect when the original AT&T account first went delinquent, NOT when the collection agency received the account.
- The collection account shows no payment history for most of 2025 but appears abruptly in February 2026 — this is inconsistent with proper Metro 2 sequential reporting standards.

Demand — Sunrise Credit Service

1. IMMEDIATELY and PERMANENTLY delete the Sunrise Credit Service / AT&T Mobility collection account (#534254XXXXXX) from my Experian credit file.
2. Provide written documentation of the alleged pre-reinsertion certification received from Sunrise Credit Service as required by 15 U.S.C. § 1681i(a)(5)(B)(i).
3. Confirm in writing that this account will not be reinserted and that the identity theft block under § 1681c-2 has been applied to prevent future insertion.
4. Provide the name, address, and telephone number of any person contacted in connection with the reinvestigation of this item, as required by 15 U.S.C. § 1681i(a)(6)(B)(i).

III. ACCOUNT #2: TRANSWORLD SYSTEMS INC / GEORGIA NATURAL GAS — \$366

Account Details

- Collector: Transworld Systems Inc | Account #: 576054XX
- Original Creditor: Georgia Natural Gas | Balance: \$366
- Date Opened at Agency: November 1, 2025 | Status Updated: Nov 2025

Dispute Basis

THIS ACCOUNT DOES NOT BELONG TO ME. I CONTACTED GEORGIA NATURAL GAS DIRECTLY AND CONFIRMED THAT THE SOCIAL SECURITY NUMBER ASSOCIATED WITH THIS ACCOUNT IS NOT MINE.

This is either a mixed-file error (Experian incorrectly merged another consumer's account into my file) or an account fraudulently opened using my identifying information. Either way, I am not responsible for this debt and it must be immediately removed.

FCRA Violations — Transworld Systems / Georgia Natural Gas

- ▶ **15 U.S.C. § 1681e(b) — FAILURE TO ASSURE MAXIMUM POSSIBLE ACCURACY (MIXED FILE):** Experian is required to follow reasonable procedures to assure maximum possible accuracy of the information in consumer reports. Allowing an account linked to a DIFFERENT Social Security Number to appear on my credit file represents a fundamental failure of this duty. This is a classic mixed-file error that Experian's procedures should prevent.
- ▶ **15 U.S.C. § 1681c-2 — IDENTITY THEFT BLOCK:** As a victim of identity theft, I am entitled to have any information resulting from identity theft blocked from my credit report. This account, which does not match my SSN, must be blocked immediately upon receipt of this notice and supporting documentation.
- ▶ **15 U.S.C. § 1681i(a)(1) — DUTY TO REINVESTIGATE:** Upon receiving notice of this dispute, Experian must conduct a reasonable reinvestigation. Contact Georgia Natural Gas and demand the Social Security Number associated with this account. When it does not match my SSN on file, this account MUST be deleted immediately.
- ▶ **15 U.S.C. § 1681s-2(b) — FURNISHER DUTY TO INVESTIGATE:** Transworld Systems Inc, as the furnisher, must investigate this dispute and cease reporting information it cannot verify as belonging to me. If the SSN on the original account does not match mine, Transworld must immediately notify all credit bureaus to delete this tradeline.

Metro 2 Compliance Violations — Transworld Systems

- Metro 2 Field 2 (Social Security Number): The SSN reported with this account does not match the consumer file it is placed in. This is a direct Metro 2 data integrity violation. Each account must be reported under the correct consumer's SSN.
- Metro 2 Consumer Information Indicator: An account with a non-matching SSN should never be merged into a consumer file. This represents a failure in Experian's file-matching algorithm, violating Metro 2 consumer identification standards.
- Metro 2 Account Status Code reporting for this account is irrelevant until the fundamental identity mismatch is corrected — the entire tradeline is invalid.

Demand — Transworld Systems / Georgia Natural Gas

5. IMMEDIATELY delete the Transworld Systems Inc / Georgia Natural Gas collection account (#576054XX) from my Experian credit file.
6. Contact Georgia Natural Gas and Transworld Systems Inc and request the Social Security Number on file for this account. When it does not match mine, document this and confirm deletion.
7. Investigate how this account was merged into my consumer file and correct any procedures that allowed this mixed-file error to occur.

IV. ACCOUNT #3: CREDIT SYSTEMS INTL / GEORGIA POWER COMPANY — \$276

Account Details

- Collector: Credit Systems International Inc | Account #: 113872XXXX
- Original Creditor: Georgia Power Company | Balance: \$276
- Date Opened at Agency: April 24, 2025 | Status Updated: Apr 2025

Dispute Basis

THIS ACCOUNT DOES NOT BELONG TO ME. I CONTACTED GEORGIA POWER COMPANY DIRECTLY AND CONFIRMED THAT THE SOCIAL SECURITY NUMBER ASSOCIATED WITH THIS ACCOUNT IS NOT MY SOCIAL SECURITY NUMBER.

Identical to the Georgia Natural Gas account above, this account has been fraudulently or erroneously placed on my credit file. The SSN attached to the original Georgia Power account is not mine. I have never had a Georgia Power account sent to collections. This is either identity theft or a mixed-file error, both of which require immediate deletion.

FCRA Violations — Credit Systems / Georgia Power

- ▶ **15 U.S.C. § 1681e(b) — MIXED FILE / FAILURE TO ASSURE ACCURACY:** Experian has again merged an account belonging to a different consumer into my credit file. This is the same mixed-file error pattern as the Georgia Natural Gas account. Experian's procedures have failed to screen for SSN mismatches, constituting a systemic violation of § 1681e(b).
- ▶ **15 U.S.C. § 1681c-2 — IDENTITY THEFT BLOCK REQUIRED:** This account must be blocked under the identity theft provisions of the FCRA within 4 business days of receiving this notice, my proof of identity, and my identity theft report.

- ▶ **15 U.S.C. § 1681i(a) — REINVESTIGATION REQUIRED:** Experian must contact Credit Systems International and Georgia Power to verify the SSN on this account. The verification will confirm the SSN does not match mine, mandating immediate deletion.
- ▶ **15 U.S.C. § 1681s-2(b) — FURNISHER MUST INVESTIGATE AND CEASE REPORTING:** Credit Systems International is obligated to investigate this dispute. If they cannot verify this account belongs to me — specifically if the SSN does not match — they must immediately cease all reporting of this account to all credit bureaus.

Metro 2 Violations — Credit Systems / Georgia Power

- Metro 2 Field 2 (SSN): Non-matching SSN being reported under my consumer file — direct data integrity violation.
- Metro 2 requires that every account submission includes verified consumer identification fields. A non-matching SSN means this account should never have been added to my file.
- The presence of TWO separate collection accounts (Georgia Power and Georgia Natural Gas) both with non-matching SSNs suggests Experian's file-matching system is merging accounts with insufficient consumer identity verification — a systemic Metro 2 compliance failure.

Demand — Credit Systems / Georgia Power

8. IMMEDIATELY delete the Credit Systems International / Georgia Power Company collection account (#113872XXXX) from my Experian credit file.
9. Verify the SSN on file with Georgia Power and Credit Systems International and confirm in writing that it does not match my SSN.
10. Apply a permanent block under § 1681c-2 to prevent this and any related accounts from reinserting onto my file.

V. ACCOUNT #4: CFNA/BSRO CHARGE CARD — \$1,054

Account Details

- Creditor: CFNA/BSRO | Account #: 271742XXXXXX
- Account Type: Charge Card | Credit Limit: \$900 | Balance: \$1,054
- Date Opened: July 5, 2021 | Status Updated: August 2023
- Status: Account Charged Off — \$1,054 written off. \$1,054 past due as of March 2026.
- 39 months of potentially negative reporting.

Dispute Basis

THIS ACCOUNT IS FRAUDULENT. I HAVE PREVIOUSLY DISPUTED THIS ACCOUNT AS FRAUD. EXPERIAN CLAIMED IT WAS 'VERIFIED' BUT NEVER SENT ME ANY PROOF OF THAT VERIFICATION — A DIRECT VIOLATION OF FEDERAL LAW.

I did not open this CFNA/BSRO charge card account. This account was opened fraudulently without my knowledge or consent. I formally disputed this account as identity theft. Experian responded stating the account was 'verified' — but provided me with ZERO documentation, ZERO proof, and ZERO identification of who or what was contacted during the so-called investigation. Under the FCRA, that is not a valid verification. It is a rubber-stamp response that violates my federal consumer rights.

Additionally, this account has been reporting as a charge-off for an extraordinary 39 consecutive months with the balance continuing to update monthly through March 2026 — constituting multiple independent Metro 2 violations on top of the fraud dispute failure.

FCRA Violations — CFNA/BSRO

- ▶ **15 U.S.C. § 1681c-2 — FAILURE TO BLOCK IDENTITY THEFT INFORMATION:** I am a victim of identity theft and reported this CFNA/BSRO account as fraudulently opened. Upon receiving my identity theft dispute with supporting documentation, Experian was required to block this account within 4 business days. Instead, Experian has allowed this fraudulent account to remain on my file and continue damaging my credit.
- ▶ **15 U.S.C. § 1681i(a)(6)(A) — FAILURE TO PROVIDE VERIFICATION RESULTS:** After completing its reinvestigation, Experian must promptly provide the consumer with written notice of the results. This includes the name, business address, and telephone number of any furnisher of information contacted in connection with the reinvestigation. Experian claimed this account was 'verified' but sent me NO documentation whatsoever — not the investigation results, not who was contacted, not what was reviewed. This is a standalone FCRA violation.
- ▶ **15 U.S.C. § 1681i(a)(6)(B)(i) — FAILURE TO PROVIDE FURNISHER CONTACT INFORMATION:** Upon request, Experian must provide the name, address, and telephone number of the furnisher (CFNA/BSRO) contacted during reinvestigation. I hereby formally request this information. Experian's prior failure to include this in its response was a violation of this statute.
- ▶ **15 U.S.C. § 1681i(a)(5)(A) — UNVERIFIABLE INFORMATION MUST BE DELETED:** A 'verified' response with zero supporting documentation is not a legal verification. If Experian actually contacted CFNA/BSRO and CFNA/BSRO provided no original documentation proving I opened this account, Experian cannot legally claim the information is verified. Without actual proof, this information is UNVERIFIABLE and must be deleted.
- ▶ **15 U.S.C. § 1681i(a)(1)(A) — FAILURE TO CONDUCT REASONABLE REINVESTIGATION:** A reasonable reinvestigation requires Experian to forward all relevant information submitted by the consumer — including my identity theft claim — to CFNA/BSRO. CFNA/BSRO must then provide original account-opening documents (signed application, ID used, verification records). Simply confirming internal database information is not a reasonable reinvestigation.
- ▶ **15 U.S.C. § 1681s-2(b) — FURNISHER (CFNA/BSRO) DUTY TO INVESTIGATE:** CFNA/BSRO, as the furnisher, had a legal obligation to conduct a reasonable investigation when notified of my dispute. That investigation required them to produce: the original signed application, identification documents used to open the account, and account verification records. If CFNA/BSRO cannot produce these documents proving I am the account holder, they must immediately cease reporting this account.
- ▶ **15 U.S.C. § 1681c(a)(4) — 7-YEAR REPORTING LIMIT FROM DATE OF FIRST DELINQUENCY:** The Date of First Delinquency must be accurately reported and used to calculate the 7-year removal date. Experian must confirm the exact DOFD on this account and ensure no re-aging has occurred.

Metro 2 Compliance Violations — CFNA/BSRO

- Metro 2 Account Status Code: The account has been reporting status code 97 (Charge Off) continuously for 39 months. Metro 2 guidelines require that once an account is charged off and closed, continued monthly balance updates must be supported by documented changes (e.g., collection activity, payments). 39 months of identical CO status with no documented change suggests stale or fabricated data updates.

- Metro 2 Field 17 (Date of First Delinquency): CFNA/BSRO must report the original Date of First Delinquency accurately. The 7-year credit reporting clock runs from this date, not from the charge-off date or the date the account was placed with a collector. Any deviation from the true DOFD is re-aging — a Metro 2 violation and FCRA violation.
- Metro 2 Highest Balance vs. Credit Limit Inconsistency: Highest balance reported is \$1,054 but the credit limit is \$900. The account balance exceeded the credit limit, which should have triggered an overlimit status code. The failure to properly code this in the Metro 2 submission creates an inaccurate picture of the account.
- Metro 2 Balance and Past Due Amount: Both the balance AND the past due amount are reported as exactly \$1,054 on a charged-off account. These fields must be independently accurate and properly reflect any collection activity, payments, or account adjustments. Monthly updates to these fields require documented transactional basis.
- Metro 2 Payment Pattern: The account shows 'Account closed at credit grantor request' yet the payment history shows continuous CO status through March 2026 — 3+ years after closure (August 2023). Reporting CO status on a closed account past the initial charge-off period is inconsistent with Metro 2 standards.

Demand — CFNA/BSRO

11. IMMEDIATELY delete the CFNA/BSRO account (#271742XXXXXX) from my Experian credit file — this is a fraudulent account I did not open.
12. Produce ALL original account-opening documents: signed application, government-issued ID used at opening, and any identity verification records. If CFNA/BSRO cannot produce these, the account must be deleted pursuant to § 1681i(a)(5)(A).
13. Provide the name, address, and telephone number of the specific person at CFNA/BSRO contacted during the prior reinvestigation, as required by § 1681i(a)(6)(B)(i).
14. Apply a permanent identity theft block under § 1681c-2 to prevent this account from reinserting.
15. Confirm the exact Date of First Delinquency (DOFD) and verify no re-aging has occurred.

VI. ACCOUNT #5: KIKOFF LENDING LLC — \$60

Account Details

- Creditor: Kikoff Lending LLC | Account #: CLXXXX
- Account Type: Charge Card | Credit Limit: \$750 | Balance: \$60
- Date Opened: October 11, 2022 | Status Updated: July 2024
- Status: Account Charged Off — \$60 written off. \$30 past due as of August 2024.
- Metro 2 Flag: BALANCE (\$60) DOES NOT MATCH PAST DUE AMOUNT (\$30).

Dispute Basis

This account contains a critical Metro 2 data error: the reported balance is \$60 but the past due amount is only \$30. On a charged-off account, the past due amount should equal the full balance unless a payment was received and documented. No payment is reflected in the payment history. This unexplained \$30 discrepancy between the balance and past due amount is a Metro 2 violation requiring reinvestigation. Additionally, I dispute the accuracy of the charge-off status and all associated payment history entries.

FCRA & Metro 2 Violations — Kikoff Lending

- ▶ **15 U.S.C. § 1681i(a)(1) — DISPUTE OF ACCURACY:** The balance (\$60) and past due amount (\$30) are inconsistent and inaccurate. Experian must reinvestigate and obtain documentation from Kikoff explaining the \$30 discrepancy. If Kikoff cannot document a partial payment that created this difference, both figures are inaccurate.
- ▶ **15 U.S.C. § 1681s-2(a)(1) — FURNISHER REPORTING INACCURATE DATA:** Kikoff Lending LLC is reporting internally inconsistent financial figures — a \$60 balance and only \$30 past due on a charged-off account with no documented payment. This constitutes reporting of inaccurate information in violation of the FCRA.
- Metro 2 Field 'Balance Amount' vs. 'Amount Past Due': These two fields must be consistent and supported by documented transactions. A \$30 discrepancy with no payment record is a Metro 2 data integrity violation.
- Metro 2 Payment History Sequence: The account shows progressive delinquency (30, 60, 90, 120, 150 days, then CO) which appears textbook — but the final balance inconsistency undermines the accuracy of the entire payment history sequence.

Demand — Kikoff Lending

16. Request documentation from Kikoff Lending LLC explaining the discrepancy between the \$60 balance and \$30 past due amount.
17. If Kikoff cannot document a transaction that created this discrepancy, delete this account pursuant to § 1681i(a)(5)(A) as the reported information cannot be verified as accurate.
18. Verify the Date of First Delinquency (February 2024 based on payment history) and confirm the scheduled 7-year removal date.

VII. ACCOUNT #6: CREDIT ONE BANK NA — PAID/CLOSED

Account Details

- Creditor: Credit One Bank NA | Account #: 444796XXXXXX
- Account Type: Credit Card | Credit Limit: \$300 | Highest Balance: \$458
- Date Opened: September 6, 2020 | Status Updated: June 2023
- Status: Paid, Closed — 4 late payments reported (30, 60, 90, 90 days)
- NOTE: Report states 'Account previously in dispute — investigation complete, reported by data furnisher'

Dispute Basis

THIS ACCOUNT IS FRAUDULENT. I PREVIOUSLY DISPUTED THIS ACCOUNT AS IDENTITY THEFT. EXPERIAN AND CREDIT ONE BANK CLAIMED THE ACCOUNT WAS 'VERIFIED' AND RETURNED IT TO MY REPORT — BUT SENT ME ABSOLUTELY NO PROOF OF WHAT WAS VERIFIED, WHO WAS CONTACTED, OR WHAT DOCUMENTATION WAS REVIEWED.

I did not open this Credit One Bank credit card account. This account was fraudulently opened without my knowledge or consent. When I disputed it, the report now shows: 'Account previously in dispute — investigation complete, reported by data furnisher.' This means Credit One Bank self-reported that the account was verified — but they provided no original account-opening documents, no signed application, no identification records, and no actual proof that I am the account holder. A furnisher self-confirming its own data without original documentation is not a legal reinvestigation under the FCRA.

FCRA Violations — Credit One Bank

- ▶ **15 U.S.C. § 1681c-2 — FAILURE TO BLOCK IDENTITY THEFT INFORMATION:** I reported this Credit One Bank account as the result of identity theft. Experian was required to block this information within 4 business days of receiving my identity theft report and proof of identity. Instead, the account remains on my file. This is a direct violation of § 1681c-2.
- ▶ **15 U.S.C. § 1681i(a)(6)(A) — FAILURE TO PROVIDE VERIFICATION RESULTS IN WRITING:** After any reinvestigation, Experian must provide the consumer with written notice of results, including what was reviewed and who was contacted. Experian's response — allowing the notation 'reported by data furnisher' to stand without sending me any written verification results — violates this statute. I was never informed what specific information was reviewed, what original documents were produced, or what the investigation actually consisted of.
- ▶ **15 U.S.C. § 1681i(a)(6)(B)(i) — RIGHT TO FURNISHER CONTACT INFORMATION:** I formally request the name, address, and telephone number of the specific person at Credit One Bank who verified this account during the prior dispute investigation. This is my statutory right and Experian is required to provide it.
- ▶ **15 U.S.C. § 1681i(a)(1)(A) — FAILURE TO CONDUCT REASONABLE REINVESTIGATION:** The notation 'reported by data furnisher' indicates Credit One Bank simply re-confirmed the data they already reported — which is not a reasonable reinvestigation. A reasonable investigation requires Credit One Bank to produce original account-opening records: the signed application, the ID used to open the account, and records verifying my identity at account opening. Credit One Bank did not provide this, and therefore no reasonable reinvestigation occurred.
- ▶ **15 U.S.C. § 1681s-2(b) — FURNISHER INADEQUATE INVESTIGATION:** Credit One Bank, as the furnisher, had a legal duty to conduct a genuine investigation — not a database re-confirmation. Their investigation was required to include a review of original account-opening documentation. They failed to do this. If Credit One Bank cannot produce original records proving I opened this account, they must immediately delete all reporting of this account from all credit bureaus.
- ▶ **15 U.S.C. § 1681i(a)(5)(A) — UNVERIFIABLE INFORMATION MUST BE DELETED:** A furnisher self-verifying without original documentation is not sufficient verification under the law. If Experian cannot produce actual proof — not a database echo — that I opened and am responsible for this Credit One Bank account, this information is legally unverifiable and must be permanently deleted.

Metro 2 Violations — Credit One Bank

- Metro 2 Payment History Accuracy: Each late payment month reported (Feb–Jun 2022: 30, 60, 90, 90, 90 days) must be documented by original payment records. No original records have been produced.
- Metro 2 Highest Balance vs. Credit Limit: Highest balance (\$458) exceeded the credit limit (\$300) — overlimit status codes should have been reported at the time. This failure to accurately code account status is a Metro 2 violation.
- Metro 2 Account Status Code: Account shows 'Paid, Closed' with a zero balance — yet late payment history remains. If this account is fraudulent, every Metro 2 field is invalid from the date of fraudulent opening.

Demand — Credit One Bank

19. IMMEDIATELY delete the Credit One Bank NA account (#444796XXXXXX) from my Experian credit file in its entirety — this is a fraudulent account I did not open.
20. Provide the name, address, and phone number of every person at Credit One Bank contacted during the prior dispute investigation, per § 1681i(a)(6)(B)(i).

21. Produce all original account-opening documentation: signed application, ID used at opening, and verification records proving I am the account holder.
22. Apply a permanent identity theft block under § 1681c-2 to prevent this account from reinserting onto my file.

VIII. ACCOUNT #7: AUSTIN CAPITAL BANK SS — PAID/CLOSED

Account Details

- Creditor: Austin Capital Bank SS | Account #: 800422XXXX
- Account Type: Secured Loan | Original Balance: \$2,500 | Terms: 120 Months
- Date Opened: January 25, 2022 | Status Updated: February 2023
- Status: Paid, Closed — 2 late payments reported (30-day in Jan 2023, 60-day in Feb 2023)

Dispute Basis

This secured loan has been paid and closed. However, Austin Capital Bank SS is reporting a 30-day late payment in January 2023 and a 60-day late payment in February 2023 — the final two months before the account was closed. I dispute the accuracy of both late payment entries. It is common for creditors to inaccurately report the final months of a paid account, particularly when the account closure and payoff occurred in the same period. I am demanding documentation to verify these entries are accurate.

FCRA & Metro 2 Violations — Austin Capital Bank

- ▶ **15 U.S.C. § 1681i(a)(1) — DISPUTE OF ACCURACY:** I dispute the accuracy of both late payment entries (January and February 2023). Austin Capital Bank must provide original loan payment records, bank statements, or account ledgers documenting exactly when payments were due and when they were received during these specific months.
- ▶ **15 U.S.C. § 1681s-2(a)(1) — FURNISHER DUTY TO REPORT ACCURATE INFORMATION:** Austin Capital Bank is reporting late payments on a subsequently paid-off account. The accuracy of these final two months' payment history must be verified against original records, not merely from Austin Capital Bank's internal database re-confirmation.
- **Metro 2 Payment History:** The specific months reported as late (January and February 2023) immediately precede the account's Status Updated date of February 2023. This timing — late payments reported in the account's final months — is a common pattern of inaccurate reporting that must be verified.
- **Metro 2 Closed Account Reporting:** Status shows 'Paid, Closed' — the account should reflect a paid-off status with zero balance. Experian must verify that Austin Capital Bank's final payment processing date aligns accurately with the reported late payment dates.

Demand — Austin Capital Bank

RE: URGENT - Identity Theft and FCRA Violations - Fraudulent Accounts

LEGAL VIOLATIONS:

- Future date reporting violates FCRA accuracy requirements
- Navy Federal's failure to properly investigate identity theft violates 15 U.S.C. § 1681s-2(b)
- Fraudulent account reporting violates consumer protection laws
- METRO 2 FORMAT VIOLATIONS: Multiple accounts are being reported as charge-offs month after month for extended periods, which violates the Metro 2 credit reporting format and FCRA. Charge-offs are one-time events, not recurring delinquencies that can be reported repeatedly to artificially inflate negative impact
- CROSS-BUREAU INCONSISTENCIES: The same accounts show different "date of last activity" and credit limits across different bureaus, indicating lack of verified, consistent data and calling into question the integrity of these records
- CFPB GUIDANCE VIOLATIONS: The repeated charge-off reporting is non-compliant with federal credit reporting laws and Consumer Financial Protection Bureau guidance

IMMEDIATE ACTIONS REQUIRED:

1. Remove all fraudulent accounts immediately

2. Remove all charge off accounts and collections based on the Metro 2 compliance violations.

3. Provide written confirmation of all corrections

4. Send updated credit report showing corrections

5. Remove all accounts that have incorrect information.

I have filed a police report for identity theft and a CFPB complaint regarding these violations.

Under the Fair Credit Reporting Act, you must investigate these disputes within 30 days and provide written results.

Sincerely,

Ervin Ward

Credit scores

FICO® Score 8

Your score is well below the average score of U.S. consumers and demonstrates to lenders that you are a risky borrower.

What's hurting

— Negative items

- You have a serious delinquency or derogatory indicator, public record and/or collection on your credit report.
- Number of your accounts that were ever 60 days late or worse or have a derogatory indicator: 4 accounts
- Virtually no FICO High Achievers have a 60 days late payment or worse listed on their credit report.
- Number of collections on your credit report: 3 collections
- Virtually no FICO High Achievers have a public record or collection listed on their credit report.
- The presence of a serious delinquency or derogatory indicator and a derogatory public record (such as a bankruptcy) or collection is a powerful predictor of future payment risk. However, newer versions of the score including FICO® Score 9, FICO® Score 10, and FICO® Score 10 T only consider unpaid collections. Most collections, public records and delinquencies stay on the report for no more than seven years - though there are certain items that could remain longer. As these items age, they may have less impact on the FICO® Score. Satisfying the public record or paying off the collection will not remove the item from a credit report. And it will still be considered by a FICO® Score as long as it is reported.

— Bad payment history

- You have one or more accounts showing missed payments or derogatory indicators.
- Number of your accounts with a missed payment or derogatory indicator: 4 accounts
- About 99% of FICO High Achievers have no missed payments at all. But of those who do, the missed payment happened more than 4 years ago, on average.
- The presence of missed and late payments or derogatory indicators on a credit report, including the number of late payments, how late they were and how recently they occurred, are correlated with future credit risk. Your FICO® Score was lowered due to the number of missed and late payments and/or accounts with derogatory indicators reported. As the number of accounts with delinquency or derogatory indicators decreases, they have less impact on a FICO® Score.

— Few accounts paid on time

- You have an insufficient number of accounts that are currently paid as agreed.
- Number of your accounts currently being paid as agreed: 0 accounts
- FICO High Achievers have an average of 6 accounts currently being paid as agreed.
- The FICO® Score considers the number of accounts showing on time payments. Generally, the higher the number reported the lower the risk. Compared to other people with a similar age of credit history, the number of accounts you have that are currently paid as agreed is low.

— Lack of recent credit card information

- There is insufficient or no recent activity on credit cards and/or bank-issued open-ended accounts.
- The FICO® Score evaluates the mix of credit cards, loans and mortgages on a credit report. Your credit report shows no open credit cards and/or bank-issued open-ended accounts or sufficient recent information about your credit cards and/or bank-issued open-ended accounts. People who demonstrate responsible use of different types of credit, including credit cards, are generally less risky to lenders.

Disclaimer

About your FICO® Score 8 or other FICO® Scores

Your FICO® Score 8 powered by Experian data is formulated using the information in your credit file at the time it is requested. Many but not all lenders use FICO® Score 8. In addition to the FICO® Score 8, we may offer and provide other base or industry-specific FICO® Scores (such as FICO® Auto Scores and FICO® Bankcard Scores). The other FICO® Scores made available are calculated from versions of the base and industry-specific FICO® Score models.

Base FICO® Scores (including the FICO® Score 8) range from 300 to 850. Industry-specific FICO® Scores range from 250-900. Higher scores represent a greater likelihood that you'll pay back your debts so you are viewed as being a lower credit risk to lenders. A lower FICO® Score indicates to lenders that you may be a higher credit risk. There are many scoring models used in the marketplace. The type of score used, and its associated risk levels, may vary from lender to lender. But regardless of what scoring model is used, they all have one purpose: to summarize your creditworthiness. Keep in mind that your score is just one factor used in the application process. Other factors, such as your annual salary and length of employment, may also be considered by lenders when you apply for a loan.

What this means to you:

Credit scoring can help you understand your overall credit rating and help companies better understand how to serve you. Overall benefits of credit scoring have included faster credit approvals, reduction in human error and bias, consistency, and better terms and rates for American consumers through reduced costs and losses for lenders. Your lender or insurer may use a different FICO® Score than FICO® Score 8 or other base or industry-specific FICO® Scores provided by us, or different scoring models to determine how you score.

DOCUMENTATION OF DAMAGES UNDER THE FAIR CREDIT REPORTING ACT

Updated & Recalculated — April 2, 2026 | Original Filing: July 23, 2025

For Settlement Consideration and Legal Proceedings

THIS IS AN UPDATED AND RECALCULATED DAMAGES DOCUMENT. SINCE THE ORIGINAL FILING ON JULY 23, 2025, TWO FULL ROUNDS OF DISPUTES HAVE BEEN COMPLETED AND FAILED. NEW VIOLATIONS HAVE OCCURRED INCLUDING THE ILLEGAL REINSERTION OF A PREVIOUSLY DELETED IDENTITY THEFT ACCOUNT. TOTAL DOCUMENTED DAMAGES HAVE INCREASED FROM \$87,428 (JULY 2025) TO \$130,800 (APRIL 2026).

Company Filed Against: Experian, Equifax, TransUnion, CFNA/BSRO, Credit One Bank NA, Transworld Systems, Credit Systems International, Kikoff Lending LLC	FTC Report: #190388298

SECTION 1 — PROGRESS NOTE: WHAT HAS CHANGED SINCE JULY 2025

POSITIVE DEVELOPMENT: The Navy Federal Credit Union accounts (Credit Card \$5,276 and Auto Loan \$25,543) and Skyla Federal Credit Union (\$10) were successfully removed after Round 1 disputes. This proves the dispute process works — and that the remaining accounts **COULD** have been removed but were **NOT**, constituting willful noncompliance by the bureaus and furnishers.

NEW VIOLATION — ILLEGAL REINSERTION: Sunrise Credit Service / AT&T; Mobility (\$12,374) was **DELETED** from Experian following Round 1, then **ILLEGALLY REINSERTED** without the required 5-business-day written notice to the consumer — a direct, standalone willful violation of 15 U.S.C. § 1681i(a)(5)(B)(ii).

Full Dispute Timeline

July 23, 2025	Round 1 dispute letters mailed to Experian, Equifax, and TransUnion via certified mail

Late 2025	Bureaus respond: Navy Federal removed. Sunrise deleted from Experian. CFNA and Credit One 'verified' with zero documentation sent. All other accounts remain.

Late 2025 – Early 2026	Sunrise Credit Service / AT&T; (\$12,374) ILLEGALLY REINSERTED onto Experian without written notice — new willful violation occurs
April 2, 2026	New Experian credit report pulled — FICO 489 (Poor). All remaining disputed accounts still present. Reinsertion confirmed.
April 2, 2026	Round 2 dispute letters mailed to Equifax and Experian. Second CFPB complaints filed. This damages document updated and resubmitted.

SECTION 2 — FRAUDULENT & INACCURATE DEBT STILL ON CREDIT REPORTS

H. Ongoing & Future Damages	\$12,375

NOTE: This is a conservative, documented estimate. Total increased from \$87,428 (July 2025) to \$130,800 (April 2026) due to: (1) 8.5 additional months of ongoing damages, (2) new violations in Round 2, (3) the illegal Sunrise reinsertion as a new damage category, and (4) upward recalculation of punitive damages now that a clear willful pattern exists across two rounds. An attorney may identify additional violations and higher recoverable amounts.

SECTION 8 — LEGAL BASIS FOR DAMAGES

15 U.S.C. § 1681n	Willful noncompliance: actual damages OR statutory \$100–\$1,000 per violation, punitive damages, and attorney's fees.
15 U.S.C. § 1681o	Negligent noncompliance: actual damages and attorney's fees.
15 U.S.C. § 1681c-2	Identity theft block required within 4 business days. Repeated failure = willful violation per round.
15 U.S.C. § 1681i(a)(5)(A)	Unverifiable information must be deleted. Continued reporting of unverifiable accounts = willful violation.
15 U.S.C. § 1681i(a)(5)(B)(ii)	Reinsertion without written notice = standalone willful violation.
15 U.S.C. § 1681i(a)(6)(A)	Written notice of reinvestigation results required. Claiming 'verified' without sending documentation = willful violation.
15 U.S.C. § 1681e(b)	Maximum possible accuracy required. Two SSN-mismatched accounts on one file = systemic failure.
15 U.S.C. § 1681s-2(b)	Furnisher must conduct genuine investigation — not database re-confirmation. Willful failure across two rounds.

Cushman v. Trans Union Corp.	CRA's duty to conduct reasonable reinvestigation; failure constitutes willfulness.

SECTION 9 — SETTLEMENT CONSIDERATION

Total documented damages of \$130,800 represent conservative estimates. Reasonable settlement offers will be considered that include ALL of the following elements.

- Complete removal of ALL remaining disputed accounts from Experian, Equifax, and TransUnion
- Permanent identity theft block on all fraudulent accounts to prevent future insertion
- Written confirmation of all deletions and corrections sent to consumer
- Credit monitoring services provided at no cost for a minimum of 3 years
- Monetary compensation reflecting the documented damages of \$130,800 or a negotiated amount
- Written agreement preventing future violations
- Written acknowledgment of the violations committed and corrective steps taken

PERSONAL STATEMENT — COPY AND PASTE BELOW THIS LINE

I am submitting this updated personal statement to amend my original FTC Identity Theft Report #190388298, which I filed on July 24, 2025. Since my original filing, I have completed two full rounds of credit bureau disputes and two rounds of CFPB complaints. The fraudulent accounts have not been fully resolved. New violations have occurred. I am updating this report to document what has happened since my original submission and to add critical new information.

HOW I DISCOVERED THE FRAUD

I originally discovered these fraudulent accounts in June 2024 when I was denied a student loan. I pulled my credit reports from all three bureaus — Experian, Equifax, and TransUnion — and found multiple accounts I never opened. These included two Navy Federal Credit Union accounts (a credit card for \$5,276 and an auto loan for \$25,543), a Sunrise Credit Service collection from AT&T; Mobility for \$12,374, a Credit First N.A. charge card for \$1,054, a Capital One account for \$951, and a Skyla Federal Credit Union account for \$10. I have never been a member of Navy Federal Credit Union. I have never had AT&T; Mobility service. I did not open any of these accounts.

STEPS I TOOK

On July 23, 2025, I filed an identity theft report with the Atlanta Police Department (Case #T25012791). On July 24, 2025, I filed my original FTC Identity Theft Report (#190388298). I also sent certified dispute letters to Experian, Equifax, and TransUnion on July 23, 2025, including copies of my police report and FTC report, demanding removal of all fraudulent accounts under 15 U.S.C. § 1681c-2 of the Fair Credit Reporting Act. I also filed CFPB complaints against all three credit bureaus.

WHAT HAPPENED AFTER MY DISPUTES

After my Round 1 disputes and CFPB complaints, some accounts were removed. The Navy Federal Credit Union accounts and the Skyla Federal Credit Union account were deleted from my credit reports. However, the following fraudulent and inaccurate accounts were NOT removed and remain on my credit reports as of April 2, 2026: (1) Sunrise Credit Service / AT&T; Mobility collection, \$12,374 — fraudulent, never my account; (2) Credit First N.A. / CFNA/BSRO charge card, \$1,054 — fraudulent, never my account; (3) Credit One Bank NA credit card — fraudulent, never my account; (4) Transworld Systems / Georgia Natural Gas collection, \$366 — I called Georgia Natural Gas directly and they confirmed the Social Security Number on this account is NOT mine; (5) Credit Systems International / Georgia Power Company collection, \$276 — I called Georgia Power Company directly and they confirmed the Social Security Number on this account is NOT mine.

NEW VIOLATION: ILLEGAL REINSERTION

After my original disputes, Experian deleted the Sunrise Credit Service / AT&T; Mobility account (\$12,374) from my credit report. This confirmed the account was fraudulent and unverifiable. However, at some point following my Round 1 CFPB complaint, this account was REINSERTED onto my Experian credit report. Experian never sent me written notice before reinserting this account, which is a direct violation of 15 U.S.C. § 1681i(a)(5)(B)(ii) of the Fair Credit Reporting Act. I discovered the reinsertion when I pulled a new Experian report on April 2, 2026. This is a new violation that did not exist at the time of my original FTC filing.

CREDIT BUREAUS CLAIMED 'VERIFIED' WITHOUT SENDING ANY PROOF

For the CFNA/BSRO account and the Credit One Bank NA account, Experian, Equifax, and TransUnion all responded to my disputes claiming these accounts were 'verified.' However, none of the three bureaus sent me a single piece of documentation to support that claim. They did not tell me who they contacted, what records were reviewed, or what evidence proved I opened these accounts. I did not open either account. Telling me an account is 'verified' without providing any supporting documentation is a violation of 15 U.S.C. § 1681i(a)(6)(A). I am disputing these accounts again in this second round and requesting that the FTC note this pattern of non-response.

CONFIRMED WRONG SOCIAL SECURITY NUMBER ON TWO ACCOUNTS

The Georgia Natural Gas collection (Transworld Systems, \$366) and the Georgia Power Company collection (Credit Systems International, \$276) are appearing on my credit reports with a Social Security Number that is not mine. I contacted both companies directly. Georgia Natural Gas confirmed the SSN on their account does not match my Social Security Number. Georgia Power Company confirmed the same. These accounts were placed on my credit file in error — either through identity theft or a mixed-file error by the credit bureaus. They do not belong to me under any circumstances.

CURRENT HARM

As of April 2, 2026, my Experian FICO Score 8 is 489, which is rated 'Poor.' I have zero open accounts on my credit report. The fraudulent and inaccurate accounts described above are the primary reason my score is this low. This has prevented me from obtaining credit, housing financing, and business financing. I have spent over 135 hours and significant out-of-pocket costs attempting to resolve this through proper legal channels. Despite two full rounds of disputes, two rounds of CFPB complaints, a police report, and this FTC report, the accounts

remain.

WHAT I AM REQUESTING

I am requesting that the FTC: (1) note this updated statement in my identity theft report, (2) document the new illegal reinsertion violation by Experian, (3) document that Experian, Equifax, and TransUnion claimed accounts were 'verified' without providing any supporting documentation across two dispute cycles, (4) document the two confirmed wrong-SSN accounts that remain on my credit file despite direct confirmation from the original creditors. I am also filing second CFPB complaints against Experian and Equifax simultaneously with this updated FTC statement. I am prepared to pursue federal court action under 15 U.S.C. § 1681n for willful noncompliance if these accounts are not removed.

CERTIFICATION

I declare under penalty of perjury that the information in this statement is true and correct to the best of my knowledge. I understand that knowingly making false statements to the government may violate federal, state, or local criminal statutes. — Ervin Ward, April 2, 2026

NOTE: This statement is approximately 850 words. The FTC form accepts long-form statements. Copy everything from the first paragraph through the Certification section and paste it directly into the Personal Statement field on identitytheft.gov when updating Report #190388298.
